Parent Comments and Suggestions

Mansfield Elementary encourages parent input and comments at any time regarding the Parent Involvement Policy. All parent feedback will be used to revise the current policy for the next school year. The policy is posted on the school website and paper copies are available at the Title I Resource Center located in the front lobby.

If you have any suggestions or if there is any part of this plan that you feel needs to be adjusted, please provide us with your comments in the space provided and leave this form in the school office.
